

Stein-Bloch Evening Clothes

If you go out nights to parties, the theaters, the club, the lodge, and the other attractions of the social season, Evening Clothes are a demand you can not side-step. Either full dress or a dinner suit is a stern necessity nowadays.

Evening Clothes require the most telling workmanship. They are unrelieved by pattern and depend solely on cut and tailoring for their effect. If you insist upon patronizing a custom tailor, pocket a sum between \$100 and \$200 and hunt out the best within a hundred miles. A cheap custom-tailor in such a case is worse than none at all.

In the meantime we can fit you with Stein-Bloch Evening Clothes, made by tailors whose knowledge of their craft is scarcely equaled in America. They are ready-made in the sense that you see the suit on your shoulders all made up, but in point of cut, knack of handling and carefulness of make, they are unapproached by any save the most forcible efforts of the exclusive designers of New York. Each is separately tailored with more than custom care, and possesses character and strong individuality.

These suits are silk lined, and are made up from the finest English unfinished worsteds and West of England twills, very soft and pliable, and specially woven for Stein-Bloch's use. The coats are interchangeable, trousers and waistcoat going with both full dress and dinner coat.

These clothes will fit you, for the tailors who made them know the Alpha and Omega of their trade.

Will you try on one of these Evening Suits? You need not buy.

Danger in Delay.

PROMPT ACTION MUST BE TAKEN TO PRESERVE HEALTH.

Kidney troubles are dangerous because they creep on so stealthily that they get a firm grip on the victim before he is aware of it. They manifest themselves in such varied forms that they are easily mistaken for other diseases.

Make no mistake!

Do not delay!

Treat the kidneys now!

The kidneys are sick and will not get well unless you use a kidney medicine. Doan's Backache Kidney Pills is the certain, safe and prompt remedy for the kidneys only. It cures. It has cured people right here in Honolulu.

A. J. Cahill, of Fort street, this city, night watchman in the employ of Messrs. T. H. Davies & Co., Ltd., says: "Whilst a young man I was a sailor and at one time worked for the Inter-Island service. I was, however, obliged to give up sea life on account of severe suffering from my back and kidneys. For this I had tried various remedies, but the one which restored me to health was Doan's Backache Kidney Pills—procured at Hollister's Drug Store. They relieved me completely after years of suffering. If any one desires further particulars he may apply to me. I am to be found at Van Dorn's Ship Chandlery, Fort street."

You should get the same medicine which helped Mr. Cahill. See that the full name, DOAN'S BACKACHE KIDNEY PILLS, is on the wrapper and refuse any imitation.

Doan's Backache Kidney Pills are sold by all chemists and storekeepers at 50 cents per box, six boxes \$2.50, or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

MAYOR WATERHOUSE ON PROPOSED S. S. LINE

PASADENA, Sept. 9.—Mayor Waterhouse's family now expect him home from his Honolulu business trip on Wednesday, September 19. His trip to the islands was uneventful and quiet, and he has been extremely busy in attending to the many imperative business details which have been accumulating since the death of his brother two years ago. With many relatives at Hawaii and scores of friends, many attentions have been showered upon him, yet he had little time for such social affairs, since his trip was entirely a business one. He is much interested in the establishment of a line of tourist steamers from San Pedro direct to Honolulu, and on a previous similar trip was interviewed by several of the leading island papers upon the subject. Could such a line be established, he is sure that many tourists would be glad to take the trip in connection with their Southern California journey, while they hesitate to go to San Francisco to sail from there.

PNEUMONIA.

This disease always results from a cold or from an attack of influenza. Chamberlain's Cough Remedy quickly cures these ailments and counteracts any tendency toward pneumonia. It is made especially for these and similar ailments and can always be depended upon. For sale by all dealers, Benson, Smith & Co., Ltd., agents for Hawaii.

PIONEER IMPROVERS

Waialae Improvement Club's Annual Meeting.

E. A. Douthitt, president.
Frank Webster, vice president.
David W. Anderson, secretary.
C. V. Lovsted, treasurer.
A. F. Clark, C. G. Bartlett, E. R. Bath, C. W. Crandall, David Haughs, directors.

The above-named officers were elected at the third annual meeting of the Waialae, Kaimuki and Palolo Improvement Club, held last night at the board room of the Bureau of Agriculture and Forestry.

It was mostly the oldest members of this, the pioneer improvement club of Honolulu, who composed the meeting. In the election of officers a due regard was paid to the different tracts of the club's triple jurisdiction. Thus the vice president, the treasurer and two directors were taken from Palolo side.

Zeno K. Myers, the retiring president, opened the meeting. A. R. Gurrey Jr., the retiring secretary, read the minutes of last monthly and last annual meetings, also the reports of officers and committees.

THE PRESIDENT'S REPORT.

Following is the report of the president:

Honolulu, T. H., Sept. 27, 1906.
To the Members of the Waialae, Kaimuki and Palolo Improvement Club, Honolulu.

In reviewing the work of the club in the past we can certainly feel that considerable good has been accomplished, but we must not rest on our laurels, as the future needs of the districts are many.

It will not be necessary for me to speak specifically of the work ahead of us, or the work that has been done during the past year. The reports from the chairmen of the several committees will more fully cover these points. We all know of many improvements that should be carried out, and a vigorous campaign must be planned for.

It is very important that the organization of the club should be maintained, and the strongest support should be given the executive.

The newly elected officers will no doubt soon communicate to you their plans for the year's work ahead of them, and you should give them your best support. Be loyal to your officers and the club. Cooperation is absolutely necessary to get the best results.

If you feel that you are not directly benefited by the work already done, do not feel discouraged. Your turn will come. In the meantime, consider that everything done along the line of improvement in any of the districts benefits us one and all.

I wish to thank the members who have assisted so well in the club work during the year just closed, especially the members of the various committees and the officers who have given me such splendid support. Let us every one continue to work for the general improvement of the districts covered by our club.

ZENO K. MYERS,
President.

THE TREASURER'S REPORT.

The report of C. M. V. Forster, treasurer, showed disbursements of \$250.25 and a balance on hand of \$57.

It also stated that thirty-two members had been added to the roll.

OTHER REPORTS.

Reports of the committees on transit and water supply, on roads and on tree planting are too lengthy for reproduction here. They told of a great deal accomplished by the club through its committees during the year.

An oral report was received from the membership committee, telling of the canvass for recruits that had been maintained.

All of the reports were accepted and reserved for discussion of their various topics.

GENERAL DISCUSSIONS.

After the election of officers Vice President Webster took the chair.

A cordial vote of thanks to the retiring officers and chairmen of committees was passed.

Discussions of the various subjects of reports were characterized by brevity but directness of remarks, nearly all present having something to say with a practical suggestion at the end of it.

Recommendations were made by vote to the executive and the committees that they work for the following objects:

To have the matter of roads, including government confirmation of avenues and streets on the plans of the different tracts, taken up with the authorities.

To have frontages on Waialae road improved.

To have distances of houses from street lines regulated.

To have Palolo road top-dressing repaired.

To secure a direct road across Kaimuki tract to Diamond Head boulevard.

To obtain adequate water storage.

To work for a ten-minute car service on the Liliha-Waialae route.

A request for trees from Mrs. Grace, a member of the club, to be planted and cared for by herself, was cordially granted and referred to the tree committee.

Those present were Zeno K. Myers, A. R. Gurrey Jr., C. M. V. Forster, Albin F. Clark, Dr. W. G. Rogers, A. F. Cooke, W. L. Howard, D. W. Anderson, Fred Harrison, W. M. Minton, W. Schmidt, W. G. Hall, C. V. Lovsted, Frank Webster, A. B. Ingalls, David Haughs and D. Logan.

Important Savings on Pretty Embroideries
